Happy New Year !!!

To paraphrase an old 60's tune "This is the dawning of the Age of Aquarius". We are at the beginning a new year. This is truly a gift from God, let us be glad in it.

As we prepare for the task before us for 2008 let's remember what we are here for. We are to let God's mercy, grace, forgiveness, joy and lots of other blessings show in us.

We have several tasks to do this year as we are in our first years as a CMA chapter. Seasons of Refreshing is coming up in March. I would recommend all to attend. If you need more info let me know.

Run for the Son will be the first Saturday in May. The sponsorship packets are available for pick up. More details on our run will be in the future.

We hope this year to be a great time of Christian fellowship, rides and witnessing for God in the biking community.

I look forward to the ministry of Vision Riders this year as we spread the gospel of Jesus to the biking world and those around us.
Dan Hayes

"In the beginning God created the heaven and the earth.".... These words from Genesis begin the story of how everything we know got started. Even then God had a plan and God has laid out everything from the start to the finish according to His perfect will.

Each year at this time I am reminded that we have the opportunity to make a new start for the year ahead. In a sense, to begin again. As humans, our plans are never perfect and we fail in so many ways on this earth. But we do have the opportunity to improve and we should use the start of the New Year to commit more to the work of the Lord. To be more faithful in our church attendance, to be more committed to our CMA involvements and to love our brothers and sisters more in the year ahead.
