February 2014

And we know that in all things God works for the good of those who love him, who have been called according to his purpose. Romans 8:28 NIV

Local Chapter Happenings

As February comes to a close, there hasn't been too much riding, unless you use chains on your bike and have some artic gear to keep warm. Let's hope that March brings better riding weather. Most cages can traverse the weather and keep you warm which doesn't explain why attendance at our Tuesday evening Bible study is light. If you haven't been to one yet, check it out. Go to our Web page and look on the calendar for directions. If those fail, contact your editor.

We are working on making some changes to our Web page. Your editor will be working with a professional to give it some upgrades and changes. Be sure to keep checking it until you see those changes in a week or two.

Editorial

If you have had some recent disappointments or trials, keep in mind that the Lord tells us in His word that He will not burden you with anything that we can't handle. If you get to that point when you don't know what to do, that's when you need to go to prayer if you haven't already. You should also be aware that, no matter how bad you think it is, there is always someone that has it worse. You may not be aware of that person, but they are out there. Sometimes we may never find out why the Lord puts those trials before us and other times, we just have to pray about it and think a little bit. Read the verse at the top of this page.

January Mileage Award

The January mileage award went to our Chaplin, Mitch. Mitch rides to work quite often, so this keeps him in the running for the award.

Polar Bear Run Results

All the money collected was donated to the local food banks. Here are some of the donations.

Here, Jamie makes the donation to Taylor County Food Bank.

It was a cold and snowy day when Mitch made the donation to Tim Cooper, who runs a food bank in Adair County.

In Marion County, Mary Ann made the donation for us.
