Local Chapter Happenings

Here we are! It is finally good bike riding weather. Even with some cool days in May we got the season off to a start with a fellowship ride on the 18th. The number riding was not that great but we did fine for what we had. After heading for Columbia and stopping for ice cream, we headed back home via Greensburg. It was a nice Sunday afternoon ride, even if it did require a jacket for some of us.

Don't forget our Tuesday evening outings at 6 Eastern at the Subway store on Broadway. We get an opportunity to fellowship and witness to other bikers that may show up for the special deal offered by the shop for those that rode in on a bike.

The ladies also had some activities and even invited us guys on one of them. Perhaps one of them will report elsewhere in this issue about those activities.

For Memorial Day, some of our chapter went to E-town for the big to-do there. Tommy Cundiff says there might have been up to 2000 bikes at the event. He even managed to bless a bike while there. Ron Mardis was there too and provides the picture below to show some of the activity.

Coming up on Saturday the 7th, is a ride sponsored by one of our members, Herbie. The church he pastors has the ride gathering at 10 Eastern at the Dollar Store on the northern side of Lebanon, across from the pallet plant. Let's show Herbie and his church our support.

A week after Herbie's ride is a fellowship ride, deemed a Fun Ride. It is on June 14th and leaves Green River Plaza at 10 Eastern. Come hungry, as we will be going to the Cumberland Falls Resort for lunch. Check our Web page and/or calendar for details.

For those that read their e-mails, you will see that there is a last minute item about a ride on the 8th of June up in Danville. Check our Web site for details.

Mileage Award for April

Mitch Collings rode 380 miles, not many, but consider the weather for the time and he did well.

Here is another view of the big ride in E-town.
