Chapter 1038

© 2014 Vision Riders

October 2014

*Have confidence in your leaders and submit to their authority, because they keep watch over you as those who must give an account. Do this so that their work will be a joy, not a burden, for that would be of no benefit to you. Heb. 13:17 (NIV)*

## Local Chapter Happenings

Ron Mardis gives us this report on the Bug Run: About 45 bikes participated in the ride even with the windy and cool weather. "I got to meet several CMA members that I had never met and we had a great time. Dan said that there was about \$2530 raised for the Galilean House. That was fantastic for the people that are living at that facility. Dan gave me some history of the place and it is a wonderful story. It was a great day and a great ride!"
